Projects

Rod Building

The TRAA trout hatchery is a popular activity of the TRAA as it's a great teaching tool with regard

to the life cycle of a trout. Those involved with the

hatchery get to see firsthand the development stages of the egg and the fry before their final release destinations to area streams.

This will be a series of informal, hands-on sessions that will result in a spinning or fly rod that you have assembled and finished yourself.

Registration will be closed when 15 paid-up participants have registered, or January 11, 2019, whichever comes first.

Funding

DONATE

Many of you have already ordered the TRAA tee shirts, but if you haven't you had better hurry

because many sizes are almost sold out! These

available!

are a steal at \$15 each.

There are three different hat colours available: Clay Grey, Burnt Orange and Taupe. If you thought the tee's were a good deal, all three

editions of these hats are also priced at \$15 each. We now have some nice stickers featuring the TRAA logo that you can display on your vehicle,

boat, lunchbox or wherever you like. These are \$2

each but you get one for joining the TRAA as a

member or renewing an existing TRAA membership. Get your TRAA Gear (makes a great Christmas gift!) at any TRAA event, such as this coming General Meeting.
